EXOSOMES / WHARTON'S JELLY

Exosomes and Wharton's Jelly are biological products that must be delivered to and signed for by a properly licensed medical professional. All biological products are licensed for medical professional use only and are not for resale or redistribution.

Every licensed medical professional that will be utilizing Vitti Labs products will need to sign a copy of this consent. If you practice at multiple locations, a consent form is required for each location.

SHIPMENTS & DELIVERY

Vitti Labs will ship products once the order has been submitted and payment received by BioXstem. Products are shipped frozen in dry ice with an expiration time of 48 hours. Vitti Labs will provide a tracking number to client at time of shipment or shortly thereafter.

Client is responsible for having a medical professional or authorized employee available to sign for delivery of product(s).

Product(s) **REQUIRE** an appropriately licensed medical professional or employee thereof to sign for receipt of product(s). If licensed medical professional or employee thereof does not sign for the product(s) at time of delivery, the product(s) could be rendered unusable. Vitti Labs and BioXstem are not liable for any loss that occurs due to no delivery for lack of signature.
